Recognition and Awarding of Plaque of Appreciation
BLOCK 4 4:00-4:20PM Grand Ballroom

PLENARY LECTURE: INTRODUCING THE UPDATED TB CPG IN CHILDHOOD TUBERCULOSIS

Session Chair: MA. LIZA ANTOINETTE M. GONZALES, MD, FPPS, FPIDSP
President, PIDSP

Speaker: JOSEFINA C. CARLOS, MD, FPPS, FPIDSP
Over-all Co Chair PIDSP TB CPG

Objectives:
1. To describe the methodology in the development of the updated CPG on Childhood TB
2. To present the importance of updating the guidelines on Childhood TB in alignment with the NTP MOP 2014
3. To introduce the issues addressed in the updated CPG

BLOCK 5 4:20-5:00PM Grand Ballroom

PLENARY LECTURE: HITTING THE ROAD: REDUCING UNCERTAINTY IN THE CLINICAL DIAGNOSIS OF CHILDHOOD TB

Session Chair: BEATRIZ P. QUIAMBAO, MD, FPPS, FPIDSP
Head, Clinical Research Division, RITM
Past President, PIDSP

Speaker: SUZANNE PONIO-DEGOLLADO, MD, DPPS, DPIDSP
Member, TB CPG Section on Treatment of Childhood TB

Objective: To present the evidence for clinical and epidemiological criteria for the diagnosis of childhood TB

GENERAL ASSEMBLY FOR PHILCAT MEMBER GROUPS 5:00 – 6:30 PM Emerald Ballroom

FELLOWSHIP DINNER/ CHAIRMAN’S NIGHT 6:30 – 8:00 PM Emerald Ballroom
Convention Day 2: August 19, 2016 (Friday)

**BLOCK 6 8:30-9:15 AM  Grand Ballroom**

**PLENARY LECTURE:** NEW DIAGNOSTICS IN TB: AT THE CROSSROADS

Session Chair: MARGARET LU-FONG, MD, FPPS, FPIDSP  
Past President, PIDSP

Speaker: NASTITI KASWANDANI, MD  
Department of Child Health, Faculty of Medicine  
University of Indonesia / Ciptomangunkusumo Hospital  
Jalan Salemba Raya 6, Jakarta

Objectives:
1. To provide updates on the latest available diagnostic tests in TB
2. To review the performance of these tests and their application

**BLOCK 7 9:15-9:45 AM  Grand Ballroom**

**PLENARY LECTURE:** TAKING A STAND: RATIONAL USE OF DIAGNOSTIC TESTS FOR CHILDHOOD TB

Session Chair: NANCY N. BERMAL, MD, FPPS, FPIDSP  
Auditor and Board of Trustees, PIDSP

Speaker: ROSARIO C. CAPEDING, MD, FPPS, FPIDSP  
Chair, TB CPG Section on Laboratory Diagnosis of Childhood TB

Objective: To discuss the value of new diagnostic tests for childhood TB and their relevance to current practice

**COFFEE BREAK**
PLENARY LECTURE: RECOMMENDATIONS FOR THE TREATMENT OF LTBI: MOVING IN ONE DIRECTION

Session Chair: ESTRELLA PAJE-VILLAR, MD, FPPS, FPIDSP
Past President, PPS, PIDSP

Speaker: ANA LIZA H. DURAN, MD, FPPS, LLB. MMHOA
Member, TB CPG Section on Treatment of LTBI

Objectives:
1. To discuss the rationale for treatment of LTBI
2. To present the current recommendations
3. To provide possible alternative regimens in special situations

PLENARY LECTURE: TREATMENT OF CHILDHOOD TB: ISSUES AND CONTROVERSIES

Session Chair: MA. LIZA ANTOINETTE M. GONZALES, MD, FPPS, FPIDSP
President, PIDSP

Speaker: STEPHEN M. GRAHAM FRACH PhD
Professor of International Child Health, University of Melbourne
Senior Consultant in Child Lung Health, IUATLD

Objectives:
1. To discuss the WHO recommendations on treatment of childhood TB
2. To discuss the rationale behind the development of the new child-friendly fixed-dose combination (FDC)
PLENARY LECTURE: FORGING AHEAD WITH RECOMMENDATIONS FOR THE TREATMENT OF CHILDHOOD TB

Session Chair: MARY THERESE M. LEOPANDO, MD, FPPS, FPAPP
President, Philippine Academy of Pediatric Pulmonologists

Treatment of Pulmonary TB & Extra Pulmonary TB
Treatment of TB Meningitis
Treatment of TB of the Bones and Joints

Speakers: MAYAN U. LUMANDAS, MD, DPPS, DPIDSP
Member, TB CPG Section on Treatment of Childhood TB

Objective: To discuss the optimal regimen in the treatment of pulmonary and extra pulmonary TB.

LUNCHEON SYMPOSIA 12:00 – 2:00 PM

1. TB ALLIANCE
THE NEW FIXED DOSE COMBINATION

Session Chair: CLEOTILDE H. HOW, MD, FPPS, PFESCP
Chair, PPS Committee on TB Book

1. NATRAPHARM
2. PEDIATRICA
3. SANOFI PASTEUR

PRESENTATION OF WINNING RESEARCH PAPER 2:00 – 2:15 PM

Chair: Maria Theresa T. Policarpio, MD, FPPS, FPAPP
Committee on Research Paper Presentations
PLENARY LECTURE: OFF THE BEATEN PATH: DIAGNOSIS AND TREATMENT OF MDR TB IN CHILDREN

Session Chair: CELIA C. CARLOS, MD, FPPS, FPIDSP
Past President, PIDSP/Asst. Director, RITM

Speaker: MA. CECILIA G. AMA, MD, FPPS, FPIDSP
Chair, TB CPG Section on Treatment of Childhood TB

Objectives:
1. To define drug resistant tuberculosis and its different categories
2. To enumerate the important risk factors for the development of drug resistance
3. To discuss the drug regimen recommended for the treatment of MDRTB in children

PANEL DISCUSSION: MANAGEMENT OF TB IN VULNERABLE GROUPS

Session Chair: IMELDA A. LUNA, MD, FPPS, FPIDSP
Member, CME and Scientific Meetings, PIDSP

“TB in Infants” (2:45-3:05 PM)

Speakers: ANNA LISA T. ONG-LIM, MD FPPS, FPIDSP
Vice President, PIDSP

“TB in Adolescents” (3:05-3:25 PM)
MA. ANN BAÑEZ, MD, FPPS, FPIDSP
Board of Trustees, PIDSP

“TB in the Elderly” (3:25-3:45 PM)
SHELLEY DE LA VEGA, MD
Director, Institute on Aging NIH-UP Manila
Immediate Past President, Philippine College of Geriatric Medicine

Objectives:
1. To identify factors that make a particular population “vulnerable”
2. To discuss some important issues in the management of TB in the particular vulnerable group
PLENARY LECTURE: PERSPECTIVES ON TB IN HIV IN CHILDREN AND ADOLESCENTS

Session Chair: REGINA P. BERBA, MD, FPCP, FPSMID
Member, Standing Committee on Research, PSMID
Board Member, PHILCAT

Speaker: EDSEL MAURICE T. SALVAÑA, MD, DTM&H, FPCP, FIDSP
Director, National Institute of Molecular Biology & Biotechnology
NIH-UP Manila

Objectives:
1. To update the health professionals on the current status of HIV infections in the Philippines and its impact on TB.
2. To present current recommendations on the management of TB-HIV

PANEL DISCUSSION: ON COURSE WITH ONE VOICE: TB IN THE MOTHER AND CHILD

Session Chair: MARY ANN BUNYI, MD, FPPS, FPIDSP
Secretary, PIDSP
Head, Office of Professional Education & Training, PCMC

“TB in the Pregnant & Lactating Mother”
Speaker: RICARDO MANALASTAS JR., MD, FPOGS
Infectious Disease Section
Vice Chair, Graduate Program & Postgraduate Courses
Department of Obstetrics & Gynecology, UP-PGH

“Congenital TB”
Speaker: ROBERT DENNIS J. GARCIA, MD, DPPS, APIDSP
Pediatric Infectious Disease Consultant
Makati Medical Center /Cardinal Santos Medical Center

Objective: To present the current treatment of TB in special situations like pregnant and breastfeeding mothers with TB, the newborns of tuberculous mothers in different circumstances like LTBI and active TB, including congenital TB

CLOSING CEREMONIES

Closing Remarks: DR. JOSE HESRON D. MORFE, MD
National Chair, PHILCAT
